OBJECTIVE

As an Engineering student, I am eager to apply my technical knowledge and problem-solving skills to an internship position within the IT sector. With a growing proficiency in programming languages and software development tools, I am keen on gaining practical experience in applying these skills to real-world IT challenges. My goal is to contribute positively to a dynamic team while further developing my expertise in areas such as software development, data analysis, or network engineering within the IT domain.

EDUCATION

National Institute of Technology

Bachelor of Technology in Electrical Engineering

Kurukshetra, Haryana

Nov. 2022 – May 2026

Thukral Public Sr. Sec. School

Class XII CBSE; Grade-93 percent
